Energy-efficient logistics

Result	60,34 %
Auditor	Fabian Sattler
Certificate valid until	September 3, 2025

Dornstadt, September 4, 2024

By issuing the certificate, FUMO Solutions GmbH confirms the following points:

Knowledge of vehicle and company-specific measures to improve the economic and ecological situation.

The structured development and implementation of long-term measures to reduce energy consumption and CO_2 emissions.

Recognising climate and environmentally friendly measures as an important part of the corporate strategy.
